In addition to providing a buyer's paradise, the outlet also features a nine-screen cinema, indoor food court and eight acres of convenient covered parking. Located in the heart of the town's gaming and entertainment district, the fully enclosed two-story center showcases distinctive art deco design throughout, while its merchants offer prices 20 percent - 50 percent below average retail on a variety of top-name products. The outlet is open daily except for Easter, Thanksgiving and Christmas.

LAKE MOHAVE

Created by Davis Dam, a few miles above Laughlin's casino row, Lake Mohave's 200 miles of shoreline is etched with hundreds of coves and secluded areas. The lake is rich in wildlife and offers an abundance of recreational opportunities, such as fishing, boating, waterskiing, swimming and camping. As part of the Lead Mead National Recreation Area, there are two facilities located on Lake Mohave that offer RV services, boat rentals, boat slips and marina conveniences, launch ramps, swimming beaches, picnic areas, restaurants and other resort amenities. Katherine Landing is located nine miles northeast of Laughlin, and Cottonwood Cove is located 45 miles north of Laughlin. Both facilities provide great access to the water and everything necessary to fully enjoy a day on Lake Mohave.

HOOVER DAM, BYPASS BRIDGE AND LAKE MEAD

Named one of the top 10 construction achievements of the 20th century, few sights are more breathtaking than massive Hoover Dam. A National Historic Landmark that continues to draw crowds more than 75 years after its creation, Hoover Dam is the highest concrete dam in the Western Hemisphere, standing at more than 725' above the Colorado River. Opened on October 19, 2010, and flanking the Hoover Dam, the Mike O'Callaghan-Pat Tillman Memorial Bridge was the first concrete-steel composite arch bridge built in the U.S. and incorporates the longest arch in the Western Hemisphere, standing at 840' above the Colorado River. Above Hoover Dam is Lake Mead, the country's largest manmade lake, providing 550 miles of shoreline with varied and exceptional outdoor activities. These architectural masterpieces are a mere 75 miles north of Laughlin and easily accessible for a memorable day trip.

LAKE HAVASU, THE LONDON BRIDGE AND TOPOCK GORGE

Lake Havasu, created by Parker Dam, rests 68 miles to the south of Laughlin. Easily accessible by a jet-boat tour that departs from a few of the Laughlin hotel/casinos, this picturesque locale is a favorite excursion for Laughlin visitors. Straddling the lake from mainland to a manmade island is the famous London Bridge. This structure was brought over brick by brick from England and reassembled on the shore of Lake Havasu in 1971. Located between Laughlin and Lake Havasu, beautiful Topock Gorge features sheer volcanic rock faces and deep, clear emerald waters. In addition to viewing ancient petroglyphs and desert wildlife, this area is superb for fishing excursions and kayak trips.

COLORADO RIVER HERITAGE GREENWAY PARK AND TRAILS

Also known as the North Reach, the new park consists of 5.25 miles of trails bordering the Colorado River for bicyclists, pedestrians and equestrian riders, and includes a children's play area, fully developed restrooms and trailheads, picnic sites, shade shelters, fishing piers and a highway pedestrian bridge overpass. Visitors of all abilities can enjoy the trails and accessible fishing areas. Designed to enhance the area as a destination for eco-tourism and outdoor adventure, the park also preserves some unique vistas and historic sites related to the construction of Davis Dam. It has received national recognition from the America's Great Outdoors Initiative and America's Great Outdoors River Restoration Project.

OATMAN, THE BLACK MOUNTAINS AND ROUTE 66

The town of Oatman was born in 1906 as a tent camp and flourished as a thriving gold mining center till 1942. The residents take pride in keeping their town as authentic as possible, giving visitors a look back into history and showing the Wild West as it really was. Located on historic Route 66, this family-friendly town features gift shops, restaurants, staged gunfights and friendly feral burros. The Black Mountains surrounding Oatman are full of canyons, riverbeds and washes ready for exploring by off-road sand-rail tours or horseback rides on trails once used by the U.S. Cavalry. "Get Your Kicks on Route 66" and experience the narrow, winding, mountain road used by early 20th-century travelers. Heading east on Route 66, beyond Kingman, are more unique opportunities for exploration. The Grand Canyon Caverns offer a look at the creations made by underground streams that flowed during the formation of the Grand Canyon. Keepers of the Wild, located 59 miles east of Laughlin, is a nature park and exotic animal sanctuary where you can visit wildlife from around the world in one day.

CHRISTMAS TREE PASS, GRAPEVINE CANYON AND SPIRIT MOUNTAIN

The entrance to Christmas Tree Pass is located about seven miles west of Laughlin. The graded dirt road of this pass runs through a ruggedly beautiful canyon rich with wildlife and petroglyphs. The canyon is part of Lake Mead National Recreation Area, and the trek via car from NV State 163 to NV State 95 takes about 45 minutes. About two miles in from 163 is an unmarked side road to Grapevine Canyon. The lush plant growth in this canyon is in sharp contrast to the stark, surrounding hillsides. A short hike up Grapevine Canyon, visitors will find a small desert spring that flows almost year-round. This spring not only allows certain plants to grow here, but also provides a water source for bighorn sheep and other animals. The petroglyphs on the canyon's sheer rock walls also indicate the presence of ancient

inhabitants as early as A.D. 1100. Spirit Mountain, the highest peak in the Newberry Mountain range, rises to an elevation of 5,639 feet and looms above the canyon. This mountain, considered the beginning of creation, is a sacred place to Indian tribes in Southern Nevada and has become the first Indian land in the state to be placed on the National Register of Historic Places.
