HIRE AN ICON

National and international sporting events

Lee Valley VeloPark, at Queen Elizabeth Olympic Park, is renowned for hosting major sporting events. It's where Team GB, including famous cyclists like Sir Chris Hoy MBE, Dame Laura Kenny DBE, and Sir Jason Kenny CBE made history.

With seating for 5,500 overlooking the velodrome, we're the only place in the UK, where you can do four Olympic cycling disciplines in one location and we welcome cyclists of all levels.

CONFERENCES AND EXHIBITIONS

At Lee Valley VeloPark, we've hosted many conferences, exhibitions and have created unforgettable events for companies like Facebook, Barclays, and Cancer Research UK. Our conference and exhibition spaces are flooded with natural light and can also offer excellent views over the stunning Queen Elizabeth Olympic Park.

Choose your event setup whether it's on the track, track centre, concourse or all of these. The concourse, which can be divided into 13 pods, is a great space for exhibitors, retailers or food and beverage. It's also an ideal location for private lunches, dinners, meetings or receptions as it offers excellent views of the track.
