Re: Crane Service Permit

Dear Sir or Madam:

You must obtain a Port Everglades Business Permit in order for your company to conduct business at Port Everglades.

In order to obtain a business permit, you must submit the attached application and other documentation as required. The application will be reviewed by Port staff and if found to be satisfactory, approval signatures will be obtained and a permit will be issued. You will not be allowed to operate at Port Everglades until you have an approved business permit. This process may take up to 30 days to complete, so plan accordingly.

Please be aware that:

- Business permits are issued on a calendar year basis and expire December 31.
- Fees are not prorated.

Should you have any questions or require assistance, please call Faye Janofsky at (954) 468-0114.

Sincerely,
