TRANSPORTATION

One of the best things about visiting Wichita is our central location... right in the middle of the Heartland.

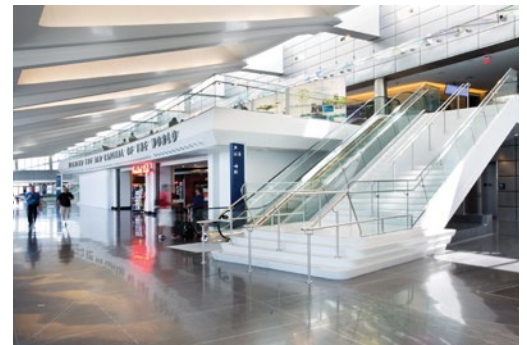

Dwight D. Eisenhower National Airport is the largest airport in the State of Kansas and continues to grow and develop each year. This allows Wichita to stay competitively priced both regionally and nationally with lower airfare than neighboring cities.

WICHITA DWIGHT D. EISENHOWER NATIONAL AIRPORT

2277 Airport Road • Wichita, KS 67209 • 316.946.4700 • flywichita.org

Great service

Wichita Dwight D. Eisenhower National Airport has non-stop air service from 10 U.S. cities with 36 to 40 daily flights and approximately 3,200 passenger seats arriving into the city daily. Arriving is easy. Wichita Dwight D. Eisenhower National Airport is located just 10 minutes from downtown Wichita.

Its five major airlines include:

Allegiant Air • American Airlines • Delta Air Lines • Southwest Airlines • United Airlines

Competitive pricing

Wichita Dwight D. Eisenhower National Airport has non-stop direct air service from 10 key hub-markets — Atlanta, Chicago, Dallas/Ft. Worth, Denver, Houston, Las Vegas, Los Angeles, Minneapolis, St. Louis and Phoenix/Mesa. Wichita's airfare in 2013 dropped 3.6% compared to 2012 and is down 32% overall from the year 2000. Great strides are being made each year to keep Wichita Dwight D. Eisenhower National Airport competitive with airline service and airfare.

NEW AIR TERMINAL 2015

A new airport terminal opened June 3, 2015 and symbolizes Wichita's position as the "Air Capital of the World." The new two-story, 275,000 sq ft terminal, has a state-of-the-art modern architectural design expressing flight and Wichita's globally prominent position in the aviation industry

The major elements of the project include:

- 12 boarding gates, each equipped with a passenger boarding bridge. Up to 16 boarding bridges in total.
- Passenger baggage handling systems with inline explosives detection security screening.
- Enhanced pre-security and post-security concessions and passenger services.
- Consolidated rental car facility counters, plus close-in parking and car return located in the covered garage.

New terminal features

- Free WiFi throughout the terminal.
- Traveler lounge areas with Arconas Flyaway seating and 786 total outlets and USB ports - perfect for charging mobile devices on the go. There are 6 walls equipped with charging stations.
- 12 glass-walled jet bridges - the largest installation of glass jet bridges in the U.S.
- Travelers can choose from River City Brewing Co., Chick-fil-A, Dunkin' Donuts, the Air Capital Bar, Grab & Fly, or Aviators Cafe. Travelers can shop at the Air Capital Market, CNBC New Express and CNBC Smartshop.
- Larger public restrooms provide 59 stalls for women, 52 for men, and 5 family-friendly restrooms.
- Upper Mezzanine is a meet-and-greet area where travelers can receive and see off loved ones. It features modern art displays celebrating the history of aviation in Wichita. Sculpture work by artist Ed Carpenter features aluminum rods and dichroic glass that changes depending on the angle of view or light hitting it.
- The Great Hall features a street-facing glass facade comprised of 9 layers of tempered glass laminated together to allow natural light to pour into the hall, reducing the need for artificial light. Architecturally, parts of the Great Hall are designed to emulate airline manufacturing elements. The distance from ticketing to gates has been reduced up to 60 percent.

Meeting Room Layout

History of the Broadview Hotel... A Wichita tradition since 1922! The basement and rooftop of the hotel have seen their share of excitement over the years. During prohibition of the 1920s, the basement was Wichita's only "speakeasy." The speakeasy featured drinking, gambling and a restaurant large enough to seat 600 comfortably. The "Roof-Top-Garden" was the only roof garden in Kansas and hosted many events. The promenade offered an all around view of the city while dining and dancing into the late hours of the evening.

As a Drury Plaza Hotel, the Broadview Hotel will carry on the history and will remain a Wichita tradition, offering the convenience of the 21st century with an upscale environment, enhanced meeting space and on-site dining.

The Drury Inn & Suites brand has been recognized by J.D. Power and Associates with its ninth award for "Highest in Guest Satisfaction Among Mid-Scale Hotel Chains."

"I went into the 2014 U.S. Custom Harvester's Convention completely clueless. The job of organizing the event had been started prior to my involvement and I was unsure of what I was doing and how to do it (I'd never organized an event as large as this ever before). **I was fortunate enough to have Visit Wichita personnel help me with all details** - large and small. If it hadn't been for them, I'm just not sure how well the convention would have turned out. As it was... it was one of the better ones we've ever had. Thank you, Visit Wichita!"

Tracy Zeorian, Executive Director • U.S. Custom Harvesters, Inc.

"We decided to host our 2014 Leadership Conference in Wichita due to **affordability.**"

Wes Guidry, CMP • Vietnam Veterans of America

"**Wow, you guys really did help us,** we had the best turn out that we have had in years. We had over 600 attend! We were just pleased as could be and when any asked how we turned this around I told them it was mostly because of you guys. THANK YOU!"

Cindy Phillips, Event Organizer • Kansas Numismatic Association

"On behalf of KansasKatz I would like to thank the good folks at Wichita Convention & Visitors Bureau for a banner year. Our third annual cat show went well. We had a **good turn out** because of the good exposure and support we had from the media. We grew and prospered only because we found some great friends like you who gave us **loyal support** along the way. It's a wonderful occasion for us as we look forward to next year. The future looks bright, and we want to acknowledge your contribution to this rosy outlook and say, "We Appreciate it!"

Richard L. Hummel • KansasKatz

"I just wanted to let you know how much I appreciate Visit Wichita helping out with The Wichita Industrial Trade Show. The two volunteers you provided, Lee Kohls and Nancy Wilson, did a **fantastic job** and were such a pleasure to work with. I hope they will be available in two years when we do this all again. Thanks,"

**Dana Giggy • WITS Board

Sarah Hartung and Abby Dechant • Kansas Agri-Women Convention Co-Chair

"Thank you for all of your help with our meeting - our **most successful fall event ever!** Thank you also for the gift bags. They are great memories of Wichita."

Gregg Balko • Executive Director Society for the Advancement of Material and Process Engineering
